

5-HOUR PSAT BOOTCAMPS

The PSAT offers students real testing experience before sitting for the digital SAT and gives students their baseline scores for more effective prep.

Make the most of this opportunity and get a headstart with your SAT prep. You'll learn effective PSAT strategies from experienced instructors. By improving your test-taking skills, you'll build confidence before going into the PSAT.

Curvebreakers' 5-hour PSAT bootcamp includes:

- All PSAT course materials
- Approx. 4+ hours of instruction – students take short breaks including time for lunch. Pizza will be provided!
- An overview of the Desmos calculator
- A review of foundational concepts often tested in the reading and math sections
- Curvebreakers' SAT Strategies
