

## CURVEBREAKERS ONLINE

With Curvebreakers Online, students get one place to test, understand their results, and learn, instead of piecing it together themselves. Our practice exams are calibrated to the difficulty and structure of the real SAT, paired with detailed, actionable performance breakdowns after every test. Then practice more and learn with online SAT instruction built directly into the same platform.

### PLATFORM FEATURES

#### Live Weekly Instruction

Real-time strategy sessions with Curvebreakers founder Nicholas LaPoma — not a chatbot, not a stranger.

#### On-Demand Video Course

11 hours of strategy-first video curriculum covering everything tested on the digital SAT.

#### 8 Mock SAT Exams

Practice mock SAT exams and get immediate results that you can use to improve your score.\*

#### Live Analytics

See progress by section, topic, and difficulty — updated after every question.

#### Gamified Engagement

Badges, leaderboards, and streaks keep students motivated and coming back daily.

#### 7,400 Practice Questions

Our adaptive engine pinpoints weak spots and serves the questions you actually need to improve.\*

\*Eight mock exams and 7,400 practice questions will be available by 9/1/2026. New content will continually be added.

### BADGES AND AWARDS

**75% Complete**

#### 50 answered

Complete 50 practice questions

**Earned**

#### Math Starter

Complete 5 math modules

**Earned**

#### English Master

Complete 50 R/W modules

**15% Complete**

## CURVEBREAKERS ONLINE VS. METHODIZE

| Features                     | Curvebreakers Online    | Methodize (SAT)**   |
|------------------------------|-------------------------|---------------------|
| Number of tests              | 8                       | 4                   |
| Number of practice questions | 7,400                   | 189                 |
| Student engagement tools     | Badges and Leaderboards | None                |
| Video Instruction Run-Time   | 11 Hours                | < 2 Hours           |
| Live instruction             | Weekly Live Stream      | None (pre-recorded) |

### HOW IT WORKS

1. Start with a quick intake form to enter your goals
2. Take your first mock exam
3. Create your test prep plan based on your results
4. Begin practicing and learning with tools like live, weekly instruction and video lessons

#### Human-reviewed. Tutor-approved.

Every one of our questions is reviewed, edited, and refined by SAT tutors who have actually taught and aced this test. Real people who care if you hit your goal score.
